

# **PERMISSIBLE AILERON WARPAGE**

(This EO replaces EO 05-45B-3H dated 4 Aug 61)

## **INFORMATION**

1 Repair and overhaul contractors are authorized to pass as serviceable ailerons with a hinge warpage of up to 1/4 of an inch. Inspectors at operating units or contractors are not to reject ailerons within this limit.

ISSUED ON AUTHORITY OF THE CHIEF OF THE AIR STAFF
